Subject: Specialty Pharmacy Network

As a reminder, providers may specify a dispensing pharmacy on a prior authorization form when requesting coverage of specialty medications. Specialty medications can be filled at any specialty pharmacy in the AmeriHealth Caritas Pennsylvania or AmeriHealth Caritas Northeast (the Plan) specialty network and should indicate the requested specialty pharmacy on all prior authorization forms.

The Plan will allow access to medications dispensed at out-of-network pharmacies when the drug(s) cannot be obtained at a network pharmacy (limited distribution) or if the network pharmacy cannot serve the member in the timeframe needed to prevent negative impact.

The Plan's Specialty Network directory is available on the provider website at www.amerhealthcaritaspa.com or www.amerhealthcaritasnortheast.com → Pharmacy → Specialty pharmacy directory (PDF).
